

Step 1 – Review Program Summaries and Guidelines

Prospective applicants should carefully review the **Innovation Acceleration Fund** programs' summaries and guidelines to determine which program, if any, is an appropriate fit for the prospective applicant's economic development project. (Launch, Propel, Expansion)

Step 2- Request Application

Contact **VentureNet Iowa** at Innovation@iowaEDA.com to request an application.

Step 3 – Application Submission

Prospective applicants must complete the **Innovation Acceleration Fund** program application and submit it to IEDA. Applications are reviewed for funding decisions on a bi-monthly basis. Please review the 2022-23 Application Deadlines schedule. Complete applications received after a deadline will advance through the application process for the next funding period.

One **electronic** copy of the application form and all required attachments. Applications will be processed based on date/time of receipt of complete digital submission. Submit to: Innovation@iowaEDA.com

All signatures and notarized documents may be scanned and submitted via e-mail or mailed to:

VentureNet Iowa
400 East Court Ave; Suite 122
Des Moines, IA 50309

Step 4 – Preliminary Application Assessment

VentureNet Iowa will review all applications to determine whether each is complete and conforms to the program requirements.

Step 5- Review Panel with VentureNet

VentureNet Iowa will contact the applicant to discuss presentation to a **Review Panel** at the VentureNet Iowa office for evaluation and feedback.

Step 6 – Technology Commercialization Committee/SSBCI Committee

The Technology Commercialization Committee (TCC) is a sub-committee of the Iowa Economic Development Authority (IEDA) Board. It is charged with assisting the Board by evaluating the project presented in the application to make funding recommendations to the IEDA Board. The TCC will review each application that advances from Step 5. The applicant will present the proposal to the TCC so that the Committee can ask questions and develop a deeper understanding of the proposal under consideration. The TCC will use its best judgment to make a funding recommendation to the IEDA Board of Directors.

Or

Small State Business Credit Initiative (SSBCI) Committee at the discretion of program managers. Committee can ask questions to develop a deeper understanding, then will use its best judgment to make a funding recommendation.

Step 7 – Iowa Economic Development Authority Board/Director Approval

The IEDA Board will consider applications reviewed by the Technology Commercialization Committee along with the Committee's recommendations. The IEDA Board will use its best judgment to take one of the following actions on each application it considers: (i) approve funding the proposal as submitted; (ii) approve funding the proposal subject to certain modifications or completion of additional due diligence; or (iii) deny funding for the proposal.

Or

Director of IEDA will consider applications reviewed by the SSBCI committee along with the recommendations. The Director will use her best judgment to take one of the following actions on each application to consider: (i) approve funding the proposal as submitted; (ii) approve funding the proposal subject to certain modifications or completion of additional due diligence; or (iii) deny funding for the proposal.
