

IOWA CULTURAL LEADERSHIP COHORT PROGRAM GUIDELINES

BACKGROUND

The Iowa Cultural Leadership Cohort is a skill building and leadership development program for small to mid-sized Iowa arts, culture, history, and humanities nonprofit organizations. This program addresses these organizations' needs and challenges by providing training, peer networking and mentorship, and technical assistance funding opportunities to strengthen their capacity to carry out their missions. It is administered by the Iowa Arts Council, which exists within the Iowa Economic Development Authority (IEDA) and State Historical Society of Iowa, which exists within the Iowa Department of Administrative Services (DAS).

The program is funded through an appropriation by the Iowa Legislature to IEDA and a grant by the National Endowment for the Arts, a federal agency. Applicants must comply with federal requirements, including but not limited to [2 CFR Part 200](#).

Operating and grant policies and definitions set out at 261 Iowa Administrative Code Chapter [305](#) and rules pertaining to organization and operation of the Iowa Arts Council found at 261 Iowa Administrative Code Chapter [304](#) apply to the program. Additional eligibility requirements and priorities are set out in these guidelines published by IEDA.
