Minority Down Payment Assistance Pilot Program Now Available

Governor Reynolds announced a historic investment in Iowa housing programs late last year, which included \$1 million for a new Minority Down Payment Assistance Pilot Program. **IFA is pleased to announce that the new pilot program is now accepting applications.**

The initial \$1 million investment will assist in breaking barriers to homeownership by providing 200 eligible Iowa minority households with assistance purchasing a home. The program will provide a \$5,000 down payment and closing costs assistance grant when used with [IFA's FirstHome program](#).

More details on the program can be found in the the Minority Down Payment Assistance program overview on the [Homeownership Resources web page](#).
