What is the intended benefit of the rule?

The intended benefit of chapters 21, 50, 101, and 163 is to describe the responsibilities of the following divisions or activities of the authority: community development division (Chapter 21), business development division (Chapter 50), innovation and commercialization activities (Chapter 101), and administration division (Chapter 163).

Is the benefit being achieved? Please provide evidence.
