

Community	Grant Amount	Local Match	Total Project Cost	Description
Mount Pleasant	\$13,880	\$9,260	\$23,140	The downtown will be nominated for the National Register of Historic Places. The city completed a survey in 2024 and determined that the area retains its historic significance, context and integrity.
Madison County	\$10,664	\$7,124	\$17,788	Downtown Earlham will be nominated for the National Register of Historic Places. The Madison County Historic Preservation Commission completed a survey in 2024 and determined that the area retains its historic and contextual significance.
Benton County	\$1,206	\$2,686	\$3,892	Benton County Historic Preservation Commission will host a one-day class on the restoration of historic windows. The class will be conducted by a consultant who is a restoration expert.
Red Oak	\$15,000	\$18,604	\$33,604	An intensive survey and evaluation will be conducted of the East Hill historic district. Many of these homes have historical significance as they were constructed for founders of the community.
Muscatine County	\$21,096	\$15,412	\$36,508	An intensive-level historical/architectural survey is planned for the North Calhoun Street Potential Residential Historic District in West Liberty. All resources within and immediately adjacent to the survey area will be identified, surveyed and photographed from public rights of way, and evaluated using Iowa Site Inventory Forms.
Louisa County	\$12,000	\$8,000	\$20,000	Louisa County Historic Preservation Commission will hire a consultant to complete intensive historical/architectural surveys of buildings in the commercial downtown districts of Columbus Junction and Wapello.
Des Moines	\$20,000	\$20,000	\$40,000	Professional consulting services will assist in the preparation of a work program and public engagement strategy for a comprehensive citywide historic survey.
TOTALS	\$93,846	\$81,086	\$174,932
