

EXHIBIT H-18
HOME RELOCATION PLAN

IFA will accept Applications that have displaced (or will displace) tenants, although involuntary permanent displacement of existing tenants is strongly discouraged. IFA reserves the right to reject any Application that fails to minimize permanent displacement of tenants and/or provide an adequate relocation plan. An initial relocation plan and relocation budget must be submitted to IFA at the time of application submission. This plan must describe the manner in which the displacement of tenants will be handled. Initially, we will need to be informed as to whether the relocation will be temporary relocation only or if there is the possibility for some "permanent displacement". If a project is awarded HOME funding, you will need to provide IFA with a more detailed relocation plan that includes a specific relocation budget, at that time.
