

Why You Should Read This: The document below reviews the environmental impact likely from a State Revolving Fund project. As part of the environmental review, you are entitled to provide comments. If you have concerns about the environmental impact of this project, raise them now. We encourage public input in this decision making process.

IOWA STATE REVOLVING FUND
REAFFIRMATION OF A FINDING OF NO SIGNIFICANT IMPACT

May 23, 2025

To: All Interested Citizens, Government Agencies, and Public Groups

An environmental review has been performed based on the procedures for implementing the National Environmental Policy Act (NEPA), for the proposed agency action below:

Applicant: City of Muscatine
County: Muscatine
State: Iowa

SRF Number: CS1921092 01
Iowa DNR Project Number: S2022-0036A

The purpose of this letter is to provide you with a State Revolving Fund (SRF) status update. This project has previously been reviewed by the DNR and a Finding of No Significant Impact (FNSI) was issued on February 22, 2024. This FNSI is hereby Reaffirmed including the additional project location through Iowa Field. Given the scope and location of the proposed additional work, no other impacts of the environmental criteria listed in 40 CFR Part 6 are anticipated.

This action is taken on the basis of a careful review of the supporting data on file at the Department of Natural Resources' office in Des Moines, Iowa. These are available for public review upon request. This Department will not take any administrative action on the project for at least thirty (30) calendar days from the above date. Persons disagreeing with the above environmental decision may submit comments to the department during this period. Your comments can be sent to SRF-PC@dnr.iowa.gov or directly to me at karrie.darnell@dnr.iowa.gov or 515-901-6817.

Sincerely,

Karrie Darnell
Environmental Specialist Senior
6200 Park Ave, Suite 200
