INTRODUCTION

This Qualified Allocation Plan (QAP) governs the 2026 and 2027 federal 4% Low-Income Housing Tax Credit (Tax Credit) allocation years. The Iowa Finance Authority (IFA) administers this program in Iowa, as specified in Iowa Code Section 16.35.

The mission of the State of Iowa federal housing Tax Credit Program is to enhance the lives of Iowans by partnering with developers who share our mission of preserving and expanding affordable housing. The QAP, online application, and policies and procedures were developed to meet this mission, as well as all requirements of Section 42 of the Internal Revenue Code (Code).

The Code requires each Allocating Agency to develop a QAP for use in determining those developments that will receive an allocation of Tax Credits. If the relevant IRS Code or IRS regulations that govern this program are amended, the IFA Board may amend this QAP to ensure it conforms.

In the process of administering the Tax Credit program, IFA will make decisions and interpretations regarding this QAP, Applications, and Projects. Unless otherwise stated, IFA is entitled to full discretion in making such decisions.

IFA shall become the owner of the Applications. IFA is not responsible for any costs incurred by Applicants.

In all instances in which federal, state, or local requirements apply to the Project, the most restrictive requirements shall apply.

**PART A –
REQUIREMENTS FOR
4% TAX CREDITS
WITH TAX-EXEMPT
BONDS**

SECTION 1. SET-ASIDE, TAX-EXEMPT BONDS, AND CAPS

1.1. SET-ASIDES. The funding round will include the following set-asides. Projects competing in the Preservation Set-Aside may compete in the General Set-Aside.

- A. **Preservation Set-Aside.** IFA will award up to three Projects in the Preservation Set-Aside. Eligible Projects shall be existing affordable properties where more than fifty (50%) percent of the Units are currently income-restricted and rent restricted to households at or below sixty (60%) percent AMI by a LIHTC LURA or projects with at least fifty (50%) of the Units covered under a Federal Project Based Rental Assistance Contract. Projects eligible for the Preservation Set-Aside will not include new construction or adaptive reuse components.
- B. **General Set-Aside.** IFA will award the remaining Projects under the General Set-Aside.

1.2 PRIVATE ACTIVITY VOLUME CAP (Bond Cap). Through its Private Activity Bond Program, IFA issues tax-exempt bonds, and will notify Applicants when the approximate Bond Cap is available for each round. Tax Credits are allowed for the portion of a Project's Eligible Basis that is financed with the tax-exempt bonds. If twenty-five percent (25%) or more of a Project's aggregate basis (land and building) is so financed, the Project is eligible for Tax Credits for up to the full amount of Eligible Basis as long as at least 5% of the aggregate land and building costs are financed with tax-exempt bonds issued after December 31, 2025. Acquisition and rehabilitation property can separately qualify so that the rehabilitation portion placed in service in 2026 or later could qualify for the 25% test even for property acquired in 2025. The Bond Cap Limit for each Project is the lesser of thirty-five percent (35%) of the aggregate basis or \$25 million per Project. Regardless of either this limit or the amount requested, IFA will set the Bond Cap awards based on its determination of the best allocation and each Project's financial feasibility. If a Project requests to exceed the Bond Cap Limit, team members will be subject to lose points in future rounds per 5.4 of this QAP.

The allocation of the Bond Cap shall be pursuant to IRC Section 146 and Iowa Code Chapter 7C. For Projects awarded in 2026, the allocation must occur in calendar year 2027 after the submission of the Private Activity Volume Cap Application (Form A). If a 2026 awardee has not closed on the bond issuance within 120 days of the date of their Volume Cap Allocation (Form B) or by December 24, 2027, their Bond Cap allocation is no longer valid, and IFA may use such Bond Cap for other purposes unless determined otherwise under the sole discretion of IFA.

For Projects awarded in 2027, the allocation must occur in calendar year 2028 after the submission of the Private Activity Volume Cap Application (Form A). If a 2027 awardee has not closed on the bond issuance within 120 days of their Volume Cap Allocation (Form B) or by December 24, 2028, their Bond Cap allocation is no longer valid, and IFA may use such Bond Cap for other purposes unless determined otherwise under the sole discretion of IFA.

An award of 4% Tax Credits does not constitute a reservation and/or allocation of Bond Cap.

1.3 DEVELOPER CAP. The maximum award to any one Developer is one Project per 4% Tax Credit round unless total application requests at the time of Application submission for Bond Cap does not exceed what is available. This restriction does not apply to Developer Application Submissions. IFA has the discretion to evaluate Developer capacity and will notify Developers prior to the 4% Tax Credit round.

6.2 PRIORITIZATION OF REVIEW. Applications will be scored and ranked within both of the set-asides in the order listed below. If an Applicant is not awarded within the Preservation Set-Aside, the Applicant will be considered in the General Set-Aside. In the event that there are no qualified Projects to fill the Preservation Set-Aside, the remaining balance will be transferred to the General Set-Aside.

- B. General Set-Aside.

6.3 TIEBREAKERS. In the event that the final scores of more than one Application are identical, IFA will use the following tiebreakers:

After construction is complete, all buildings in a Project have been placed-in-service, and all other requirements of the IRS Form 8609 Application package have been met, a complete IRS Form 8609 Application package shall be submitted through the online Application. This section only covers casualty losses not addressed under Revenue Procedure 2014-49.

7.8 COMPLIANCE. IFA has established procedures for monitoring compliance. Refer to the IFA Compliance Manual and supporting documentation. Any other rent and income restrictions required by other programs shall still apply as applicable.
