**2027-2028
Iowa
Thriving
Communities
Webinar**

**Economic
Development**

**Finance
Authority**

ABOUT

- **Launched in 2024**, the initiative was created to recognize and support communities that are actively advancing housing opportunities for lowans at all income levels.
- The designation highlights communities using **innovative, locally driven approaches** to expand housing for their workforce and residents, while creating a platform to share and elevate those efforts statewide.
- Participating communities commit to policies, practices and actions that support housing across the income spectrum.
- In return, **IEDA | IFA partner with designated communities** to elevate their stories, providing promotion, marketing, and visibility to housing developers and other key partners.

ABOUT

- A **limited number of communities** will receive the designation, which includes **highly sought-after scoring incentives** for the Federal Housing Tax Credit and/or Workforce Housing Tax Credit programs, along with incentive points for the HOME and Community Catalyst programs.
- Incentive points may be used **once through the end of the calendar year following designation** as an Iowa Thriving Community (2027–2028). Renewals will not be permitted beyond the designated period.
- Communities previously designated that **used incentive points for an awarded project are ineligible**.
- Communities previously designated that **did not receive an award using incentive points may reapply** through the competitive application process.

ABOUT

- Developers are highly incentivized to select a community that has been designated as an Iowa Thriving Community for a proposed development through the 2027 and/or 2028 Federal Housing Tax Credit or Workforce Housing Tax Credit programs.
- Both programs accept applications from developers for specific housing development proposals through an intensive and competitive scoring process.
- The extra points awarded to a development through the Iowa Thriving Communities designation increase the likelihood that a project may be awarded credits.
- All Iowa Thriving Communities also receive incentive points for the HOME and Community Catalyst programs.

Iowa Thriving Community Designation Enhancements Beginning in 2026: (For 2027 Iowa Thriving Communities)

- **Rural Focus:**
Eligibility is limited to rural communities.
Rural defined as communities with a population of 20,000 or fewer that are not contiguous to a city with a population of 40,000 or more.
- **Designation Limit:**
Up to **three** communities will be designated in each application round.

Iowa Thriving Community Designation Enhancements Beginning in 2026: (For 2027 Iowa Thriving Communities)

- **2-Year Designation:**
Communities awarded the Thriving designation will now hold that status for two years. (Incentive points may be used only once during the two-year period).
- **Biennial Application Cycle:**
Applications will be accepted and reviewed every two years.
- **Introduction of Pre-Application**

Application Tips

- Share your headline – what sets your community apart in terms of what you've done to welcome housing for all?
- Sprinkle in some excitement about your community
- Showcase all stakeholders
- Always include details – we do not know your community like you do!

2027-2028 Timeline

- Feb 10.: Pre-Application Period Opens – pre-application available at iowafinance.com/thriving.
- April 3: Pre-Application Deadline
- June 5: Full Applications due from invited communities – applications must be submitted by 4:30 p.m. CST.
- July 7-8: In-person finalist pitches
- Sept. 8-10: Iowa Thriving Community representatives attend HousingIowa Conference in Des Moines
