

ART PROJECT GRANT FOR ORGANIZATIONS ARTS AND HEALTH SPECIAL ROUND – FY2027

BACKGROUND

The Art Project Grant for Organizations program is administered by the Iowa Arts Council, which exists within the Iowa Economic Development Authority (the IEDA). Through the program, the IEDA provides financial incentives to nonprofit and tax-exempt organizations; schools; local, county, state and federal governmental agencies; and tribal councils to support a wide variety of arts-related activities. To be eligible, projects must include artistic excellence and service to Iowans. Priority is given to first time and infrequent applicants as well as projects that advance the goals of the Iowa Arts Council 2022-2026 Strategic Plan.

The program is funded through an appropriation by the Iowa Legislature to the IEDA and a grant by the National Endowment for the Arts, a federal agency. Applicants must comply with federal requirements, including but not limited to 2 CFR Part 200.

For this special round of funding, only projects engaging in [Arts and Health](#) with Iowa artists and communities will be considered. Eligible projects will advance the Iowa Arts Council's strategic goal to promote arts programming that seeks to advance individual and community health and well-being.

Operating and grant policies set out at 261 Iowa Administrative Code Chapter [305](#) and rules pertaining to organization and operation of the Iowa Arts Council found at 261 Iowa Administrative Code Chapter [304](#) apply to the program. Rules specific to the program can be found at 261 Iowa Administrative Code Chapter [307](#). Additional eligibility requirements and priorities are set out in these guidelines published by the IEDA.

ART PROJECT REQUIREMENTS

Eligible Projects

For this special round of funding, only projects engaging in [Arts and Health](#) with Iowa artists and communities will be considered. Eligible projects will advance the Iowa Arts Council's strategic goal to promote arts programming that seeks to advance individual and community health and well-being.

Eligible projects must involve an arts experience, arts learning activity, or arts professional development activity and must demonstrate public value to Iowans through deliberate public engagement and access to project activities. Types of eligible projects include community events, performances, exhibitions, festivals, conferences, or workshops dedicated to arts related activities, including conferences that are likely to demonstrate best practices for the artistic field. Grant projects may represent a phase of a larger project with a longer timeline. However, all grant project activities must have a clear beginning and end date during the eligible funding period.

Applicants may apply for support of an annual event or series only if they can demonstrate how the event or series is unique to the eligible funding period and worthy of support. Project content must change from year to year.

Applicants may apply for support of a public art project only if they can demonstrate broad-based community engagement and programming surrounding the project.

Ineligible Projects

Projects that fall outside of the identified types of eligible projects will not receive funding through this program. Ineligible projects include, but are not limited to, the following types of activities:

** Overhead and Administrative Costs must be reasonable and consistent with best practices in financial management. It should not simply be a percentage of the project budget. Applicants must be able to calculate the actual costs included in the line item.*

***Applicant must demonstrate how personnel time is specifically dedicated to the proposed project. State of Iowa agencies cannot include personnel costs in the grant request, but such expenses may be included as part of the cash match requirement.*

Indirect Costs

Applicants who are unable to calculate direct Overhead and Administrative Costs associated with the proposed project can include indirect costs instead.

Indirect Costs are overhead, administrative, or general operating expenses that are not readily identifiable with or are difficult to assign to a specific project. Examples of Indirect Costs include the expenses associated with operating and maintaining facilities and equipment, rent, utilities, supplies, and administrative salaries. The indirect cost rate is either the current and appropriate indirect cost rate negotiated with the applicant's Cognizant Federal agency or a de minimis rate of 15%.

The indirect cost rate is applied to the Modified Total Direct Costs noted in the grant budget, which include project expenses like salaries and wages, materials and supplies, services, and travel. Modified Total Direct Costs do not include project costs like purchasing equipment, rental costs, among others.

Ineligible Grant Request Expenses

Expenses that fall outside of the identified eligible expenses for the project may not be included as part of the grant request.

Ineligible grant request expenses include, but are not limited to:

- Budget shortfalls

- Unrealized ticket or event revenue, i.e., providing free tickets or scholarships to attend an event
- Visa costs paid to the federal government

Match Requirement

Applicants are required to demonstrate investment in the project by providing one to one matching funds to the total grant amount requested from the IEDA. For example, an applicant that requests \$10,000 in grant funds needs at least \$10,000 in matching funds for a minimum total grant project budget of \$20,000.

The required matching funds must be dedicated to one-time project expenses that are legitimate parts of the proposed project. Matching funds may be all cash or a combination of cash and in-kind contributions. Applicants will need to include any in-kind contributions as direct costs in the project budget to balance the budget. The applicant is not required to secure the matching funds at the time of application but must secure them by the end of the eligible funding period and identify them in the final report due August 2, 2027.

Cash match is actual cash, like cash donations, grants, organizational reserves, and revenues that are received for the project.

In-kind match is non-cash goods or services provided at no charge to the project by a third party. The use and value of third-party contributions must be properly documented. All third-party contributions must be necessary and reasonable for the project.

Expenses used for matching funds must adhere to the same expense eligibility requirements as detailed in the budget requirements section of these guidelines.

State or federal funds cannot be used to meet the match requirement.

- Funds provided by units of county or local government may be used to meet the match requirement.

FUNDING PRIORITIES

Priority is given to first time and infrequent applicants (applicants not funded in the past two fiscal years) to Iowa Arts Council grant programs as well as projects that have high-quality arts production or arts experiences and projects that advance the goals of the [Iowa Arts Council Strategic Plan Framework 2022-2026](#).

REVIEW PROCESS

Eligibility Review

Submitted applications are reviewed by staff for completion, eligibility, and adherence to published guidelines. Applications are reviewed as submitted, provided that the IEDA may contact applicants if any additional information is required. New application information or subsequent application clarification submitted after a program deadline is not considered unless requested by an IEDA program manager. Staff will also review an applicant's record of compliance and good standing with the Iowa Arts Council, the IEDA, other state agencies, including but not limited to the Iowa Department of Revenue, and federal government agencies or departments. Applications or applicants determined by staff to be ineligible or incomplete will not move forward to panel review. A determination as to eligibility or completeness is final agency action.

Competitive Panel Review

Applications by eligible applicants that are complete and adhere to program requirements will be referred for a competitive review by a panel of professionals with expertise related to the purpose of the program. Applications will be scored and ranked based on the published scoring rubric. Recommendations for consideration and approval are submitted to the Director of the IEDA.

Decision Notification

Applicants are typically notified of funding decisions, including decisions to decline to fund applications, within eight to twelve weeks after the application deadline. Applicants are encouraged to refrain from contacting staff for application status updates during the funding decision process.

APPLICATION SUBMISSION

Applicants must submit applications via the Iowa Arts Council's SlideRoom, an online application portal. Applications will not be accepted in any other format. Late, incomplete or ineligible applications will not be accepted. Applicants can access the current online application requirements at iowaartscouncil.slideroom.com. Applicants must create a login to view the full application requirements for the program. Applicants can visit help.liasonedu.com for assistance related to the online submission.

Application Questions and Scoring Rubric

The Art Project Grant for Organizations program scoring rubric will be used by the review panel to evaluate grant applications. The following application questions are provided for reference only.
